

Andrew A. Rosenberg, Ph.D.
Director, Center for Science and Democracy
Union of Concerned Scientists

CURRICULUM VITAE

Education

Ph.D., Biology, 1984, Dalhousie University, Halifax, Nova Scotia, Canada

M.S., Oceanography, 1980, Oregon State University, Corvallis, Oregon

B.S., magna cum laude, Fisheries Biology, 1978, University of Massachusetts, Amherst, Massachusetts

PROFESSIONAL EMPLOYMENT

Director, Center for Science and Democracy

present

Union of Concerned Scientists

- Develop a new Center focused on the role of science in the democratic process
- Develop strategy for the new Center
- Fundraise to build capacity for the Center for Science and Democracy
- Speak out on issues of science and democracy for UCS

Senior Vice President for Science + Knowledge

2010 - 2012

Conservation International

- Chief Scientist for major international environmental NGO
- Senior manager of CI's science program – 75 staff
- Major fundraising responsibilities for science program
- Spokesperson for the organization on science issues
- Research on ecosystem-based management, climate adaptation, fisheries science and management

Professor of Natural Resources and the Environment

2004 – present

(affiliate status currently)

University of New Hampshire

- Faculty in the Institute for the Study of Earth, Oceans and Space and Department of Natural Resources and the Environment.
- Offering courses in environmental policy, ecosystem-based management, fisheries population dynamics, and ocean policy at undergraduate and graduate levels.
- Major professor and mentor for graduate students at M.S and Ph.D level.
- Research on ecosystem-based management of human impacts, ocean policy, historical ecology, marine science, ocean and fisheries management.

<u>Dean, College of Life Sciences and Agriculture,</u> University of New Hampshire, Durham , NH	2000 - 2004
<ul style="list-style-type: none"> • Academic and administrative management responsibility for eight departments with 160 faculty and a budget of \$30 million. • Increased externally funded research from 2.6 million to \$17 million in four years. • Initiated review, reinvigoration and re-alignment of College programs academically and administratively. • Professor of Natural Resources. 	
<u>Deputy Director, National Marine Fisheries Service</u> National Oceanic and Atmospheric Administration, Silver Spring, Maryland	1998 - 2000
<ul style="list-style-type: none"> • Senior career official (Senior Executive Service 3) with programmatic and administrative responsibility for a federal agency with 2,800 employees and a budget of over \$500 million. • Responsible for implementing fisheries, protected resources and habitat management efforts nation-wide including regulatory actions, grant programs, and science and research programs. • Key agency spokesperson in policy discussions and presentations for the Administration, Congress and with the public. • Head of Delegation for the United States to international marine science and management organizations. 	
<u>Northeast Regional Administrator, National Marine Fisheries Service</u> National Oceanic and Atmospheric Administration, Gloucester, MA	1995 - 1998
<ul style="list-style-type: none"> • Senior federal official for regional activities from Canada to Cape Hatteras with 400 employees and a budget of \$30 million. • Negotiated on behalf of the government, recovery plans for New England and Mid-Atlantic fishery resources, endangered species protections such as for harbor porpoise and right whales, and habitat conservation programs region-wide. • Oversight responsibility for the Northeast Fisheries Science Center laboratories in Woods Hole, Narragansett, Sandy Hook and the Smithsonian. • Key agency spokesperson to the public, Congress and internationally. 	
<u>Chief of Research Coordination, National Marine Fisheries Service</u> National Oceanic and Atmospheric Administration, Northeast Region	1990 - 1995
<u>Assistant Professor/Lecturer in Environmental Technology,</u> Imperial College of Science and Technology, University of London, England	1986 - 1990
<u>NATO Postdoctoral Researcher, Centre for Environmental Technology</u> Imperial College of Science and Technology, University of London, England	1984 - 1986

SELECTED PROFESSIONAL ACTIVITIES AND APPOINTMENTS

Co-chair, Science and Technical Advisory Committee, UN Intergovernmental Oceanographic Commission Transboundary Waters Assessment Project.	2014-2016
Member, U.S. National Climate Assessment Development Advisory Panel, Convening lead author for oceans chapter, member Exec Sec.	2011 - 2015
Editor, Conservation Letters	2012 – present
US Ocean Research Advisory Panel (Navy)	2012 - 2015
Panel Member, National Academy of Science, America's Climate Choices, Climate Adaptation Strategy	2008 - 2010
National Academy of Sciences, Ocean Studies Board	2008 – 2013
National Science Foundation, Geosciences Advisory Board	2009 - 2012
Commissioner, U.S. Commission on Ocean Policy U.S. Presidential Appointment and	2001 - present
President, MRAG Americas Inc. Environmental consulting company	2004 - present
Panel of Experts, UN World Ocean Assessment (convening author for several chapters)	2006 – 2016
Chairman, U.S. Steering Committee for the Census of Marine Life	2006 - 2010
Advisor on Ocean Affairs, U.N. Division for Ocean Affairs and Law of the Sea	2006
Commissioner and Head of Delegation North Atlantic Salmon Conservation Organization U.S. Presidential appointment	1996 - 2000
Commissioner and Head of Delegation Northwest Atlantic Fisheries Organization U.S. Secretary of Commerce appointment	1997 - 2000

SELECTED INVITED LECTURES

Yale University Law School, Science in the Trump Administration	2019
Government of Canada, Science Advice for Areas Beyond Nat. Jurisd.	2019
Capitol Hill Oceans Week, The Oceans in 2050	2019
StormSurge, Science in the Trump Administration	2019
AAAS. Fighting Back Against Trump	2017-2019
United Nations Law of the Sea, Assessing Biodiversity Beyond Nat. Jurisd.	2018
Brown University, Food, Fish and Sustainability	2018
The Broad Institute, Science and the Trump Administration	2018
Clark University, Science and the Trump Administration	2017

HONORS AND AWARDS

Ecological Society of America Sustainability Science Award for Paper in Science (2009)	2011
AAAS Fellow, Societal Contributions to Science and Engineering,	2006
Watkins Award, Consortium for Ocean Research and Education	2005
Presidential Award for Meritorious Service to the United States,	2000
U. S. Coast Guard 1 st District Commendation	1998
World Wildlife Fund Commendation for Conservation,	1998
Distinguished Alumnus Award, University of Massachusetts	1998
NOAA Bronze Medal Awards (3),	1997
NATO Postdoctoral Research Fellowship,	1985 - 1986
Killam Memorial Scholarship,	1982 - 1984
